Re: Case No. 10C154

Dear Mr. Meadows:

The Missouri Ethics Commission, considered at the October 27, 2010 meeting, the complaint filed against you. The Commission reviewed the allegation of failure to accurately disclose amount and source of monies on hand on the January and April Quarterly Reports.

From the facts presented, the Commission voted to dismiss this case as the allegation is unsubstantiated. The investigation did not show reasonable grounds for a violation of Chapter 130, RSMo. Evidence shows that you had reported all contributions received on both reports. Amended reports have been filed to correct the balances on hand on the report summary pages.

Sincerely,

Julie A. Allen
