Re: Case No. 10E127

Dear Mr. Hall:

The Missouri Ethics Commission, considered at the November 19, 2010 meeting, the complaint filed against One Air Alliance. The Commission reviewed the allegation that the Alliance conducted lobbying activities without being registered and failed to file lobbyist reports pursuant to Chapter 105, RSMo.

From the facts presented, the Commission voted to dismiss this case as the allegation is unsubstantiated. The investigation did not show reasonable grounds for a violation of the Chapter 105, RSMo. There was no evidence that the One Air Alliance qualified as a elected local government official lobbyist or lobbyist principal. Lobbying activities which were the subject of this complaint were conducted by government relations professionals employed by the American Cancer Society and the American Heart Association who were registered with the Missouri Ethics Commission to conduct such activities.

Sincerely,

A handwritten signature in cursive script that reads "Julie A. Allen".
