Re: Case #13E118

Dear Mr. Tibbetts:

At its December 13, 2013 meeting, the Missouri Ethics Commission considered the complaint filed against you. The Commission reviewed the allegation that, in violation of Chapter 105, RSMo, while serving as a board member of the Benton County Sewer District #1, you voted and approved a contract with WET RPM, LLC to perform services for the sewer district, and then went to work for WET RPM, LLC in July 2013 after resigning your board member seat.

Specifically our investigation showed that you were appointed to the sewer board on October 29, 2012. In November 2012 you voted, as a member of the board, to approve a contract with WET RPM, LLC for grinder pump repair services. You resigned from the board on July 12, 2013 and began work for WET RPM, LLC on or about July 22, 2013. The work you did for WET RPM, LLC upon leaving the board was not related to this specific contract. Therefore, the Commission voted to dismiss this complaint.

Sincerely,

A handwritten signature in cursive script, appearing to read "James Klahr".
