MEC No. 13E141

Dear Mr. Glickert:

The Missouri Ethics Commission, considered at the February 7, 2014 meeting, the complaint filed against you and Citizens to Re-Elect Michael Glickert. The Commission reviewed the allegation of receiving a contribution in excess of \$325.00 without forming a candidate committee in violation of Chapter 130, RSMo.

The investigation showed that Committee to Elect Jan Adams reported a contribution in the amount of \$553.91 to "Citizens to Re-elect Michael Glickert" in June 2012. You had not formed a candidate committee at this time. The investigation showed that there is no proof that you received the contribution in question. Committee to Elect Jan Adams has since amended her reports to indicate that the contribution in question has been donated to a charitable organization.

From the facts presented, the Commission voted to dismiss this case as there is no evidence that you received a contribution which would have required you to form a committee in June 2012.

Sincerely,

A handwritten signature in cursive script that reads "James Klahr".

Executive Director
