MEC No. 14E221

Dear Mr. Lubber:

The Missouri Ethics Commission considered the complaint filed against you at its October 2, 2014 meeting. The complaint alleges that the Lake Area Conservative Club made expenditures of a monetary contribution, event expenses and other incidental expenditures in excess of \$500 supporting a candidate without forming as a committee or filing disclosure reports.

From the facts presented, the Commission finds no reasonable grounds exist to support a violation of Chapter 130, RSMo, and is dismissing the complaint. Interviews and documentation established that while your organization made a \$500 monetary contribution to a Camden County presiding commissioner candidate, there is no evidence that your organization made additional expenditures that would meet the monetary thresholds requiring your organization to form a committee or file campaign finance disclosure report.

Sincerely,

A handwritten signature in black ink, appearing to read "James Klahr".

James Klahr  
Executive Director
