MEC No. 14C259

Dear Ms. Van Wagner:

The Missouri Ethics Commission considered the complaint filed against you at its October 27, 2014 meeting. The complaint alleges that you named a treasurer for your candidate committee whose primary residence is within Jackson County and not the district or county where you are a candidate.

From the facts presented, the Commission finds no reasonable grounds exist to support a violation of Chapter 130, RSMo, and is dismissing the complaint as moot. Interviews and documentation established that you were unaware your named treasurer needed to be a resident within your district or county. Upon notification of this complaint, you amended your Statement of Committee Organization and appointed a new treasurer that meets the statutory requirements of section 130.021.1, RSMo.

The Commission reminds you of your responsibility to follow the requirements of section 130.021.1, RSMo.

Sincerely,

A handwritten signature in cursive script, appearing to read "James Klahr".
