Dear Mr. Pollice:

The Missouri Ethics Commission considered the complaints filed against you and the City of Louisiana at its April 28, 2015 meeting. The complaint alleged that you and the City of Louisiana failed to comply with state law and local ordinance regarding the competitive bid process used to purchase certain products for the city.

The staff review of this complaint found that the city has complied with its bidding policies during the two year period reviewed.

From the facts presented, the Commission finds no reasonable grounds exist to support a violation and is dismissing the complaint.

Sincerely,

A handwritten signature in cursive script that reads "James Klahr".

James Klahr
Executive Director
