MEC No. 15-0027-I

Dear Ms. Shryock:

The Missouri Ethics Commission considered the complaint filed against you at its June 30, 2015 meeting. The complaint alleged that you distributed via mail a two sided campaign document with a reprint of an online newspaper commentary discussing the Mayor's endorsement of you for Wentzville Alderman on one side and the dismissal of a lawsuit involving you on the other. The material contained no paid for by disclosure.

The staff review of this complaint found that, while the commentary related to your candidacy for alderman, you were not responsible for the publication, circulation or distribution of the material.

From the facts presented, the Commission finds no reasonable grounds exist to support a violation of Chapter 130, RSMo, and is dismissing the complaint.

Sincerely,

A handwritten signature in cursive script, appearing to read "James Klahr".

James Klahr
Executive Director
