Dear Mr. McGee:

The Missouri Ethics Commission considered the complaints filed against you. The Commission reviewed the allegation of failure to provide a "Paid for by" disclosure on campaign mailers which concerned candidates for the Kansas City School Board in the April 8, 2014 election pursuant to Chapter 130, RSMo. The mailers included the identification "Parents and Neighbors for Quality Education."

From the facts presented, the Commission voted to dismiss the complaint filed against you. On September 25, 2015, the Commission previously settled related complaints filed against Print Media Design, Melissa Robinson and Clinton Adams in Cases 14E084, 14E087, 14E089, 14E093, 14E096 and 14E098. The Commission did not find probable cause that you were involved in the publication, circulation or distribution the campaign mailers that were the subject of these complaints. Therefore, the Commission voted to dismiss the complaints.

Sincerely,

A handwritten signature in cursive script, appearing to read "James Klahr".
