Re: File No. 16-0007-I

Dear Ms. Roland:

The Missouri Ethics Commission considered the complaint filed against you at its March 10, 2016 meeting. The Commission reviewed the allegation that you were responsible for the creation of flyers opposing Joe Jackson's candidacy in the April 2014 Kansas City School Board election. These flyers did not include a paid for by disclosure. Prior to the election, the flyers were placed in a local convenience store.

Staff review determined you were not responsible for the creating or distributing these flyers.

From the facts presented, the Commission finds no reasonable grounds exist to support a violation of the campaign finance laws pursuant to Chapter 130, RSMo, and is dismissing the complaint.

Sincerely,

  
James Klahr  
Executive Director
