The Missouri Ethics Commission, at its October 21, 1995 meeting, discussed your request for an opinion. The following is in response to your question: *Would a conflict of interest exist if my wife accepted a position of Director of the Fine Arts Academy which is jointly operated by the Department of Elementary and Secondary Education and a designated institution of Higher Education?*

The Commission stated that from the facts presented in your letter of October 6, 1995 and the material you furnished the Commission, it would appear that the employment of as Director of the Fine Arts Academy would be a violation of section 105.452(4) RSMo.

If you have any further questions, please do not hesitate to contact this office.

Sincerely,

Marion N. Sinnett
Administrative Secretary
