At the January 23, 1996 meeting of the Missouri Ethics Commission, your request for an opinion was considered. The following is in response to your questions: *Can I serve on the City Council of Thayer, Missouri and also be a volunteer policeman? Can the city pay for my training to be a volunteer policeman?*

From the facts presented in your letter, you may serve as a reserve police officer and receive training in this position paid for by the community. You cannot receive reimbursement for lost wages.

If you have any further questions, please contact this office.

Sincerely,
