At the May 20, 1998 meeting of the Missouri Ethics Commission, your request for an opinion was discussed. The following is the Commission's response to your question:

If I am unable to verify the population of a district, for contribution purposes, which population figures should I use?

The Missouri Ethics Commission does not have the census figures for each electoral district in the State of Missouri. The county election authority is responsible for those figures. You are reminded that sections 130.032.1(4)(5) & (6) discuss the allowable contribution limits.

If you have any further questions, please feel free to contact this office.

Sincerely,

Charles G. Lamb, Ph.D.
Executive Director
