November 17, 2004

At the November 4, 2004 meeting of the Missouri Ethics Commission, your request for an opinion was discussed. The following is the Commission's response to your question:

*If elected to the county collector position, will I have to resign my positions as a volunteer on the fire department board or as chairman of the county health department?*

The Missouri Ethics Commission determined that there is no conflict of interest for you to be a county collector and also chairman of the boards outlined in your question. The Commission further stated that you should be aware of the conflict of interest law as contained in sections 105.450 through 105.467, RSMo.

Sincerely,

R. F. Connor  
Executive Director
