At the October 26, 2005 meeting of the Missouri Ethics Commission, your request for an opinion was discussed. The following is the Commission's response to your question:

*Can I hold the position of county assessor and also be a member of the special road district?*

The Commission determined that there is no conflict of interest for a county assessor to also be a member of the special road district. You are reminded to review the conflict of interest laws contained in sections 105.452 through 105.457, RSMo, and you should act accordingly in both positions.

Sincerely,

  
R. F. Connor  
Executive Director
