

Missouri Ethics Commission

Stacey Heislen
EXECUTIVE DIRECTOR

October 23, 2024

The Missouri Ethics Commission, at its October 23, 2024 meeting, took the following actions:

Advisory Opinions

2024.10.CF.001

A cooperative member can serve on a continuing committee's Board of Directors without making the cooperative a connected organization, as long as over 50% of the contributions to the committee are not from individuals affiliated with the cooperative.

2024.10.CF.002

A business can act as an authorized agent for its Connected Organization Committee by soliciting contributions on its behalf, provided it accurately accounts for all transactions as required by the committee's treasurer and transfer said funds to the committee within five days of receipt.
