Hello MEC Help desk,

I hope you had a good holiday weekend.

Attached are a series of Non-Committee Expenditure Reports, including the Initial S-1, and four subsequent S-1 reports, and four S-2 reports, one of which is dated today. I understand we will face several fees, please let us know if we can do anything to mitigate some of these expenses.

Please also let us know if there is any missing information, or any other details we can provide. Thanks in advance for your help,

Mallory
