To Whom It May Concern,

We hope your offices are keeping healthy. Attached, please find five Non-Committee Expenditure Reports filed on behalf of the American Civil Liberties Union, Inc. These reports include expenditures from March 15-March 17, 2021.

We have been advised that this is the correct form for filing independent expenditure reports and that filing by email is acceptable, but please do let us know if further information or some alternative filing is required for corporations making independent expenditures in St. Louis local elections. Please also note that the ACLU of Missouri is a separate corporation from American Civil Liberties Union, Inc. and may be separately filing independent expenditure reports.

Please let me know if you have any questions or concerns about the attached reports, or if you require any additional information.

And we kindly request you confirm receipt of the reports by email, if possible.

Thanks so much,
Meg
