Re: Case No. 10C085

Dear Mr. Icet:

The Missouri Ethics Commission, considered at the June 24, 2010 meeting, the complaint filed against Icet for Auditor. The Commission reviewed the allegation of failing to properly report a loan. The Commission did not find reasonable grounds to believe a violation of Chapter 130 occurred.

On the October 2009 Quarterly Disclosure Report, Friends of Tilley reported a \$25,000.00 monetary contribution to Icet for Auditor made on September 30, 2009. This contribution was first reported on October 6, 2009, as received on October 5, 2009, by Icet for Auditor on a Report of Contribution Received over \$5,000.00. The contribution was also reported on the January 2010 Quarterly Disclosure Report for Icet for Auditor as a contribution received on October 5, 2009. All three reports consistently reported this as a contribution.

The October 2009 Quarterly Report for Friends of Tilley was amended on June 11, 2010, to state: "[A] \$25,000.00 loan was made to Icet for Auditor...on September 30, 2009. The loan is to be repaid by December 31, 2010." The January 2010 Quarterly Disclosure Report for Icet for Auditor was also amended on June 11, 2010 to report the \$25,000.00 as a loan received from Friends of Tilley.

From the facts presented, the Commission voted to dismiss this case as the allegation was unsubstantiated. The investigation did not show reasonable grounds for a violation of Chapter 130, RSMo.

Sincerely,
