Commission Action: MEC No. 24-0017-I and 24-0018- I: Brad Wommack, Bolivar, Missouri

Date: 06/03/2024

The Missouri Ethics Commission received two complaints against Brad Wommack of Bolivar, Missouri on March 4, 2024. Missouri statutes required that an investigation be completed within 90 days of receipt and presented to the Commission for a determination of whether there are reasonable grounds of a violation or whether it should be dismissed. Section 105.957, RSMo.

Missouri statute, Section 105.955.6, RSMo requires at least four commission members are necessary for a quorum, and at least four affirmative votes shall be required for any action or recommendation of the Commission.

Because there were not four Commissioners able to consider the investigation within the statutory timeframe, the Commission could take no action on these complaints.
