## **Commission Action: MEC No. 24-0029-I: Caleb Cline and Twyla Craven, Candidates, Northwest Fire Protection District**

**Date: 07/01/2024**

The Missouri Ethics Commission received a complaint filed against Caleb Cline and Twyla Craven, Candidates for the Northwest Fire Protection District on April 4, 2024. Missouri statutes required that an investigation be completed within 90 days of receipt and presented to the Commission for a determination of whether there are reasonable grounds of a violation or whether it should be dismissed. Section 105.957, RSMo.

Missouri statute, Section 105.955.6, RSMo requires at least four commission members are necessary for a quorum, and at least four affirmative votes shall be required for any action or recommendation of the Commission.

Because there were not four Commissioners able to consider the investigation within the statutory timeframe, the Commission could take no action on this complaint.
