Commission Action: MEC No. 25-0005-I Andrew Boggs and Joseph McCollum

Date: 5/12/25

The Missouri Ethics Commission received a complaint filed against Andrew Boggs and Joseph McCollum. Missouri statutes require that an investigation be completed within 90 days of receipt and presented to the Commission for a determination of whether there are reasonable grounds of a violation or whether it should be dismissed. Section 105.957, RSMo.

Missouri statute, Section 105.955.6, RSMo., requires at least four commission members are necessary for a quorum, and at least four affirmative votes shall be required for any action or recommendation of the Commission.

Because there were not four Commissioners able to consider the investigation within the statutory timeframe, the Commission could take no action on this complaint.
