Final Action: MEC No. 26-0079-I: Mary McKenna and Elect Mary McKenna Platte County

Date September 30, 2026

The Missouri Ethics Commission took final consideration of the complaint filed against Mary McKenna and Elect Mary McKenna Platte County at its September 30, 2026, meeting.

The complaint alleged that Mary McKenna outlined a method by which potential contributors who wished to avoid disclosure could nevertheless provide funds.

The investigation confirmed that Ms. McKenna recorded a video recounting a conversation with an individual who expressed a desire to avoid having his name appear on disclosure reports. However, the investigation found no evidence that a contribution was made or accepted in the name of another person, or by or through another person in such a manner as to conceal the identity of the actual source of the contribution.

Based on these facts, the Commission finds no reasonable grounds to believe that a violation of the Chapter 130, RSMo, occurred and has dismissed the complaint.
