Re: Resignation – Treasurer

President Craig Bland,

This is my official letter of resignation as Treasurer for Freedom Inc., from a period of July 1, 2011 through Tuesday, January 3, 2012. The reporting for the organization to the Missouri Ethics Commission is current and has been current since my stepping into this role as Treasurer.

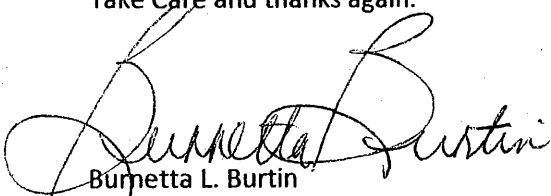

I have contacted (personally) and also written a letter to the banking institution (Liberty Bank) and stated the following in writing as of Tuesday, January 3, 2012.

I Burnetta Burtin no longer will be handling any financial transactions for Freedom Inc., as of January 3, 2012. I have given permission to Ms. Lana Tally (a banking representative) to remove my name from all signatory documents (savings and checking) in regards to Freedom Inc.

I've also supplied a copy of this letter to the Missouri Ethics Commission on Wednesday, January 4, 2012, so records are kept straight.

I thank you so much for allowing me the opportunity to serve as your Treasurer. You were great to work with and a true professional. The timing now just doesn't allow me to spend the adequate necessary time to fulfill my role in this position.

Take Care and thanks again.

Burnetta L. Burtin
